

EH-TW7100 with HC lamp warranty

Ideal for all your home entertainment, the EH-TW7100 is easy to setup and projects vivid colours, sharp pictures and clearly defined shadows with Epson's 3LCD technology. From sports and movies to gaming, this stylish projector covers it all with built in 10W stereo speakers and connections for streaming and other devices with 2 HDMI ports. Enjoy a bigger, more immersive viewing experience at home for up to 7 years* with the EH-TW7100.

Get advanced, high-end features at an affordable price with this 4K PRO-UHD* projector. With a display that reaches up to 500 inches, you can enjoy the latest 4K content, with superior image quality and a high contrast ratio. Lining up the picture is effortless using lens shift, optical zoom and keystone correction. It's easy to set up, stream content and get sound with built-in speakers or Bluetooth.

4K PRO-UHD* for superior image quality

Experience bright, vivid colours with this affordable 4K PRO-UHD* projector. By delivering an equally high White and Colour Light Output of 3,000 lumens, it achieves both a high brightness and intense colours. The high contrast ratio of 100,000:1 delivers deep blacks and clearly defined shadows, and the frame interpolation gives sharper fast-moving images.

Big screen experience

Feel immersed in your home entertainment with an engaging big screen experience. This projector can create a display size up to 500 inches, can play 2D and 3D content and boasts noise cancelling technology. Lens shift, zoom and keystone correction ensure that your picture is exactly where you want it to be.

Smart connectivity solutions

Plug and play 4K content simply by inserting a streaming device in the back of the projector so it's ready to go at a moment's notice. You can also display 4K content from a games console, set top box, Blu-ray player, tablet or other device via the two HDMI ports. Sound is taken care of with two built-in 10w speakers.

DATASHEET / BROCHURE

KEY FEATURES

- **4K PRO-UHD* technology**
Images are more lifelike and exceed Full HD resolution
- **Enhanced home entertainment**
Built in 10W stereo speakers and connect streaming devices, games console, set-top box, Blu-ray player, tablet or other device via the two HDMI ports
- **Long-lasting solution**
With this model's long-lasting lamp light source, you'll be able to enjoy entertainment for up to 7 years*
- **Superior picture quality**
With a high brightness of 3,000 lumens and contrast ratio of 100,000:1, this 4K PRO-UHD*, HDR10 projector delivers lifelike content and defined shadow detail. Epson's 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors*
- **Refreshingly easy to use**
Plug in, turn on, link up and play!
